“Meet The Principal, Zanele Mgoqi”

“Eduvator Presents Three Sisters Educare Fundraising Project”

Our German-based supporting Foundation (Simunye-Three Sisters)—which has paid for the salaries of all carers and teachers at Three Sisters—increased its monthly financial subsidy by 40%, which will allow the project to provide food to needy children on a daily basis. MANY THANKS TO OUR GENEROUS DONATORS IN GERMANY.

Maggie (from Sweetguesthouse, Cape Town) and her 81-years old very active mother, who was visiting her from Germany, have met with Zanele in Cape Town and handed over a generous donation. Maggie’s mother, also a talented tailor, has volunteered to work her magic with cloth for Three Sisters! MANY THANKS TO THEM
